NASEEHAT FROM THE IMAAM OF THE SALAFIS FOR THE SALAFI SAUDI REGIME AND FOR THE ULAMA-E- SOO – “THE DUMB DEVILS” OF ALL PERSUASIONS

“Those who have a background with what Allah sent His Messenger ﷺ & with what his Companions were upon realize that most of those famous for their religiosity are actually the least religious. Allahulmusta’an. What religion & what good are in a person who sees Allah’s sanctuary violated, His limits disregarded, His religion abandoned, & the Sunnah of His Messenger ﷺ turned away from, while his heart is cool & tongue is silent? He is a mute devil just as one who speaks with falsehood is a speaking devil. Is the calamity of the religion from anyone but these who if their food & positions are safe, then they care not what happens to the religion? The best of them is he who tries to be sad & barely opens his mouth. If he were to be disputed over something that pains him of his honor or wealth, he would exert, strive, & use all three levels of denunciation to the best of his ability. These people, in addition to them falling from the eye of Allah & Allah hating them, have been afflicted in the Dunya with the greatest affliction possible while not realizing it, that is the death of the heart, because the more the heart is alive, the stronger the anger for Allah & His Messenger ﷺ is & the more complete the rush to support the religion is.”

Ibn Al-Qayyum رحمه الله [I’lam al-Muwaqqi’n]
