SAJID USMAN OF PAKISTAN

BEWARE OF THIS BOGUS COLLECTOR !!!

Some years ago, SAJID USMAN of Pakistan was associated with the Maktab project of MUJLISUL ULAMA OF S.A. Seven years ago Mujlisul Ulama dismissed him for EMBEZZLEMENT of funds. He has enriched himself and purchased a large farm in prime area of Karachi near to the airport.

After a seven year absence from South Africa, he has returned and currently is going on a collection drive. Maulana Mohsin the ex-imaam of the Mayfair Musjid in Johannesburg who is accompanying him has fallen in his trap. Maulana Yusuf Patel who is Sajid's old-time friend, is acting as his host.

Sajid Osman currently operates a stone-crushing business in Madinah. He is involved in several business ventures. His 'charitable' organization is BOGUS and a shaitaani front for his misdeeds.

Sajid is perennially collecting funds and large scale embezzlement is taking place. We warn and urge the Muslim community NOT to contribute anything to him. He is a BOGUS collector. The two molvis who are supporting him in South Africa are extremely naive to say the least. Sajid is a glib talker. He has the ability to extract contributions with his deceptive talk about the plight and woes of the people and children in Pakistan, Bangladesh and Burma, etc.

DO NOT BE A VICTIM IN HIS SNARE!!!

BEWARE OF THIS BOGUS COLLECTOR !!!
