THE NNB JAMIAT'S CLUTCH AT STRAWS –

OUR RESPONSE

In a desperate damage-control attempt – attempting to salvage its tattered and torn image – ruined and destroyed by its promotion of flagrant kufr, fisq and fujoor, blatantly portrayed at the zina conference, the NNB jamiat's cartel of vile molvis, issued a deplorably haraam statement, captioned '*Deplorable Politicking*' in which it further confirms its anti-Islam bias.

Instead of honourably conceding the gigantic blunder of having promoted the haraam so-called 'marriage' conference in which starred the kaafir CLOWN who, with the connivance of the organizers had abominably slandered and disparaged Rasulallah (Sallallahu alayhi wasallam), Hadhrat Aishah Siddiqah (Radhiyallahu anha) and Hadhrat Abu Hurairah (Radhiyallahu anhu), the NNB jamiat's Clique of fussiaaq and fujjaar molvis scandalously accuse the thousands of Muslims of spreading misinformation.

It should be remembered that in the aftermath of the kaafir CLOWN's kufr, there was a tumultuous uproar which culminated in almost 2000 participants walking out of the zina hall. It should also be understood that all those who had staged the walk-out were modernists with loose Deeni ties. Nevertheless, the kufr of the CLOWN was too much for even these modernists to digest. Whilst even these thousands of modernists were appalled and disgusted at the public mockery of the Deen made by the kaafir CLOWN, the NNB cartel professing to be 'ulama' insanely defend the abominable debacle. They seek to water down and make acceptable the transpirations of kufr fisq and fujoor which they had so passionately promoted.

Now they accuse those who are standing up in defence of the honour of Rasulallah (Sallallahu alayhi wasallam) of 'politicking'. In fact, their life is being expended in kufr politicking to find fulfilment for their voracious *hubb-e-jah and hub-e-maal* appetites. They find comfortable homes in every un-Islamic and anti-Islamic function in which a host of haraam activities prevail.

The cartel of evil molvis of the NNB jamiat who has participated in the haraam zina conference has to assume direct responsibility for the kufr antics of the kaafir CLOWN. They should now not seek to exculpate themselves from the villainy and notoriety disgorged by that horrible Shaitaan in human form. These molvis are responsible for the kufr vomited by the kaafir CLOWN. They dare not exonerate themselves,. They had promoted the evil function of the devil.

It should also be remembered that besides the kaafir CLOWN, the function was a conglomeration of haraam activities – intermingling of sexes, music, lewd talk, bedroom scenarios, videoing, photography, filth and moral pollution – the kufr disgorged by the kaafir CLOWN was the epitome of shaitaan’s function. These villain molvis are condemned and damned for the deluge of haraam which they had promoted. Never was Islam and its noble Personages so vilified and disparaged in South Africa so much as has been observed and witnessed by thousands at this immoral zina event conducted under the auspices of the NNB jamiat’s ulama-e-soo’. When kuffaar insult and mock at Islam, it is understandable. But when Muslims – or professed Muslims – flagrantly and publicly descend into this pit of faeces, then Islam commands that if it is in an Islamic state, they should be executed. But the NNB jamiat’s shaitaani molvis issue statements in vindication of the villainy which has transpired. Indeed, they are the “*worst of humanity under the canopy of the sky*” as stated by Rasulallah (Sallallahu alayhi wasallam).

They are the *shayaateenul ins* guilty of kufr politicking. They cannot escape the consequences of their villainous perpetrations. Besides this dunya, tomorrow is Qiyaamah – and it will be soon – where they shall be hauled in the Divine Presence to account for their aiding and abetting the kaafir CLOWN and promoting the haraam function riddled with filth and immorality. Try to digest the filthy statement of the CLOWN – the immorality which he directed to a lewd woman sitting in the crowd. Imagine the shaitaan speaking from a public stage accusing the woman of staring at his *satr!!!!* Can this CLOWN be a Muslim human being? Is it possible for a genuine Muslim to acquit himself in such a horrible lewd manner?

The NNB jamiat’s stupid evil molvis think that all Muslims are idiots, hence they are at extreme pains to convey the idea that they were “constrained to attend the” immoral function of zina. No one is so stupid to swallow this stupid canard.

The stupid molvis labouring to justify their participation in and promotion of the haraam immoral function say that they were constrained to attend “*keeping with their role function within*

mainstream society”.

Absolutely

ludicrous and laughable. What constrains Ulama to participate in an immoral function where all forms of zina are portrayed and promoted? What is their role in mainstream society? What role halaalizes haraam and immorality? Is their stupid role function an abrogator of Allah’s Shariah? Is appeasing ‘mainstream society’ valid justification for courting the Wrath and Displeasure of Allah Azza Wa Jal? Rasulullah (Sallallahu alayhi wasallam) said:

“He who seeks the pleasure of people (of mainstream society), and in this pursuit displeases Allah, Allah will cast him to the people.”

This shaitaani ‘principle’ of these vile molvis more than adequately demonstrates their shaityaaniyat – that they are devils in human form as mentioned by Rasulullah (Sallallahu alayhi wasallam). Added to their stupidity is their deceit and satanism. They justify haraam in pursuit of their satanic ‘role function’. For whom are they seeking to deceive with such stupid politicking? Every Muslim of healthy Imaan understands and believes that no ‘role function’ can ever override the Shariah.

The NNB jamiat’s claim of them following the example of the ‘illustrious predecessors’ is a gigantic satanic LIE. Every step of the lives of the illustrious predecessors is in violent opposition to every move of filth, immorality, fisq, fujoor and kufr which was the order of the day at the zina conference. These evil molvis are slandering the illustrious predecessors who were glittering examples of the Sunnah and from whom exuded nothing but such taqwa which is ‘haraam’ according to the villains of the NNB jamiat. They are guilty of smearing the august personalities of Islam – our illustrious predecessors – with their kufr lies and slander.

Muslims should understand that Rasulullah (Sallallahu alayhi wasallam) did not blurt out statements without thinking. His every prediction is the effect of Wahi (divine revelation). He said that there will be such ulama who will have to circumambulate their own intestines in Jahannam. Who are the candidates for this disgraceful and horrible punishment? They are the likes of Reverend Abraham Bham, Sooliman Moola, Junaid Karsany, menk and the rest of the illegitimate cartel who are conniving against the Deen and actively undermining Islam by means of halaalizing numerous prohibitions of Islam. They are the Agents of Iblees in human form. May Allah Ta’ala save the Ummah from their villainy.
