### **AKHWAATUL ISLAM DAWAH**

## **ANOTHER MISGUIDED SHAITAANI WOMEN'S GROUP**

While Allah Ta'ala has created ONLY the home role for females, this clique of misguided women portraying themselves in the public domain as "*Akhwaatul Islam Dawah*", have deemed it appropriate to flaunt themselves and acquit themselves just like males. They are displaying lewd lesbian mentality. Such women's groups are in total conflict with the teachings and spirit of Islam.

The group of shameless apas, acting like apes, publish their names for all and sundry. They conduct themselves like males in total disregard of Islam's code of Hijaab. Hijaab is not confined to the cloak and niqaab. Hijaab is not restricted to dress. Hijaab is a full and complete code of conduct which is Waajib for Muslim females to observe.

The very first requisite of Hijaab is for women to remain in doors and to attend to the role Allah Ta'ala has created for them. This shameless so-called '*Akhwaatul Islam*' miscreant group is actually

*Akhwaatush*

*Shaitaan (The Sisters of Shaitaan).*

This nondeplume in reality is a synonym for the appellation mentioned by Rasulullah (Sallallahu alayhi wasallam), namely,

*Habaailush Shaitaan (The Traps of Shaitaan).*

On the occasion of his expulsion from the heavens, Iblees supplicated to Allah Ta'ala for 'tools' with which to ensnare mankind. The Divine Response was:

*Women will be your Traps (Habaailush Shaitaan).*

Thus this group of shameless apas in Port Elizabeth is a snare of Iblees.

They lack simple Islamic decency in view of having extinguished all vestiges of their Imaani *hayaa* (*shame/modesty*).

That is why they are as audacious as lesbians. It is this lesbianic mentality which has constrained them to act in diametric conflict with the Qur'aan and Sunnah, hence they advertise themselves in the public domain. It is not permissible for Muslim females to advertise their names, provide their addresses, phone numbers and denude themselves in public as this *Habaailush Shaitaan* entity is doing.

The moron, miscreant *maajin* 'mufti' who has addressed the group thereby encouraging these female agents of Iblees, is a stupid *Dayyooth* who does not know whether he is moving forwards or backwards.

Among their objectives, the very first one stated by *Akhwaatush Shaitaan*, is "To attain the Pleasure of Our Creator".

Both, this group of Iblees agents and the moron mufti, have miserably failed to understand the manner of attaining Allah's Pleasure. His pleasure cannot be attained by plodding a path which is in total conflict with the teachings and ethos of Islam. Women can attain Allah's Pleasure only by wholeheartedly submitting to the commands of Allah Ta'ala and His Rasool (Sallallahu alayhi wasallam) as applicable to them. For them, Allah's Pleasure lies in:

- Remaining at home
- Diligently attending to their home affairs
- Attending to the pleasure of the husband in halaal ways. Attainment of Allah's Pleasure according to the Hadith is inextricably coupled with the pleasure of the husband.
- Observing the full Code of Hijaab as commanded in the Qur'aan and Sunnah which explicitly state that woman is 'Aurah' – everything of her is 'Aurah' – her body, her name, her

voice and her identity. To the best of her ability she has to remain an unknown identity.

Allah Ta'ala has not cast woman into the public mould. Social activity is alien to the genuine Muslim woman. Her social work is confined to the holy precincts of her home. In this respect the Tabligh Jamaat has also fallen into the Snare of Iblees. It is Iblees who has breathed into them the idea of women's tabligh groups. All of them are *Habaailush Shaitaan*.

Apas who have been misled and tricked into this Shaitaani group of the Sisters of the Devil, should reflect and withdraw and extricate themselves from this Trap of Iblees. Insha-Allah, more shall be said in a future article on this issue.
