### ***DARUSH SHAITAAN CALLS ON MUSLIMS TO INDULGE IN FLAGRANT HARAAM***

Rasulullah (sallallahu alayhi wasallam) said:

*“There will dawn an age.....when the worse of people*

*under the canopy of the sky will be their ulama. Fitnah will emerge from them, and the fitnah will rebound on them.”*

There are many Ahaadith which inform us of the preponderance of the vilest villains in the community, namely, the molvis and sheikhs of *dhalaal* and *baatil* such as the molvis of Darush Shaitaan (so-called darul ihsan) of Durban, the NNB jamiat molvis and the MJC sheikhs and hybrid molvi-sheikhs. Their primary contribution to the community will be to ruin the morals of Muslims and to destroy their Imaan.

Darush Shaitaan has joined the NNB jamiat (No Name Brand jamiat) of Fordsburg in the haraam call to vote in the elections of the country.

It is essential for Muslims to understand that voting in kuffaar elections entails Shar'i violations:

(1) The law of a non-Muslim country and of all Muslim countries of this age is KUFR law. The Qur'aan Majeed states explicitly and emphatically that those who govern according to kufr law and support kufr law are *“kaafiroon, faasiqoon and zaalimoon.”*

(2) All candidates for whom people have to vote are promoters of Kufr and agents of Iblees. Voting thus means voting for Iblees.

(3) Total violation of Hijaab has to be incumbently committed in the process of registration and voting.

(4) Whilst the violation of Hijaab is haraam for both males and females, the prohibition has greater relevance and is of greater abomination for Muslim females. Muslims are supposed to utilize their brains to understand that when it is not permissible for Muslim women to go to the Musjid for Salaat, how can it ever be permissible for them to emerge from their homes in total and flagrant violation of the Qur'aanic prohibition to mingle with fussiaaq, fujjaar and kuffaar to vote for Iblees?

To understand this prohibition, a Muslim whose Imaan has not been destroyed does not require much knowledge and proofs for guidance from the Ulama. Allah Ta'ala has bestowed sufficient intelligence to every Muslim to understand that participation in a venture of any kind whatsoever will be haraam if it entails violations of the Shariah.

Commanding Muslims to bypass the ulama-e-soo', Rasulullah (Sallallahu alayhi wasallam) said for our guidance:

*"Seek a fatwa from your heart."*

These are such times of evil – made evil by the ulama-e-soo – that Muslims should increasingly seek *"fatwas"* from their hearts on new developing issues which the villains masquerading as Ulama employ to bamboozle the laypeople, leading them to Jahannam.

May Allah Ta'ala guide you and keep your Imaan intact and your intelligence functioning correctly to enable you to acquire the correct *fatwa* from your heart as commanded by Rasulullah (Sallallahu alayhi wasallam).
