THE DONKEY 'SEMINAR' OF JAMIAT KZN

A Brother, rightly annoyed, writes:

“Refer to the attached poster of a ‘seminar’ of program hosted by the Jamiat KZN.

It just doesn't seem right, and doesn't make Islamic sense. And further I cannot understand what business this Moulana has to have studied modern, silly university courses in 'Islamic' finance and other such masters and doctoral 'Islamic' studies. I also cannot understand what benefit a law qualification would be for an Alim.

I would think this Moulana is also a danger to the community. The Masjid is not a place for his academic lecture. Please comment.

Was salaam.”

Besides this Brother, others too have expressed their indignation. Your understanding is correct in terms of the Shariah. The Jamiat KZN has veered widely from Siraatul Mustaqeem.

It appears that the motive of the Jamiat molvis is *hubb-e-jah (love of fame)*, hence they are grovelling for recognition regardless if they have to demean the Ilm of the Deen and even the Deen. It is for this reason that the Jamiat KZN is grovelling at the feet of the NNB jamiat of Fordsburg and courting the pleasure of BOGUS ‘uucsa’ – all for gaining recognition.

The problem with the Jamiat KZN is that it is run by inexperienced juniors who were not blessed with the *suhbat* of Saaliheen. Looking at the activities and attitudes of the Jamiat KZN, a person of even little intelligence can understand that they are crazy for recognition, hence they strive diligently to advertise every slice of bread and every slight Deeni service they manage to embark on. The Jamiat has lost the path and is set on the course of becoming among the *mudhilleen* of the Ulama-e-Soo’ cartel.

Only a molvi lacking in true understanding of the Ilm-e-Deen he had acquired pursues secular education for the acquisition of the donkey degrees such as Phd and Masters degrees. The Jamiat, also lacking in the understanding of the treasure of Ilm-e-Wahi, acquits itself in a rodomontade manner by advertising that the molvi has some donkey degrees – three or four donkey degrees. The likes of these donkey character are described in the Qur’aan Majeed as “*Humur Mustanfirah (wild donkeys fleeing from a lion)*”.

They flee from the Shariah. This is what the Jamiat KZN is doing. Following blindly in the rotten footsteps of the NNB jamiat, and the BOGUS ‘uucsa’ consisting of a cartel of hybrid *juhala*,

the Deen is being compromised by not only abstention from the obligation of Amr Bil Ma’roof Nahy Anil Munkar, but also by acting as a poodle for the conglomerate of Ahl-e-Baatil with which it is currently flirting in its insane desire for recognition which it shall not acquire.

Whoever plods the path of baatil and courts the displeasure of Allah Azza Wa Jal by courting the pleasure of Fussaaq and Fujjaar such as the Boguses which the jamiat is wooing, will be humiliated by Allah Ta’ala. Hadhrat Junaid Baghdaadi (Rahmatullah alayh) said:

“He who searches for honour with baatil, Allah will humiliate him with the Haqq.”

The molvis of this body, call themselves, ‘Jamiatul Ulama’, yet they are shockingly ignorant of the sanctity of the Masjid. They pollute the Masjid with a stupid ‘seminar’ in western style, by a westernized molvi who prides himself with his donkey degrees and doctorates. In so doing, scant honour is accorded to the Ilm of the Qur’aan.

The so-called ‘interactive 4 hour seminar’ which is supposed to ‘dissect atheistic challenges faced by the ummah’, is indeed laughable. These juhala molvis are making a laughing stock of themselves with their bootlicking efforts, struggling to following in the footsteps of western academics. These are not methods for the Ulama. Our methodology emanates from the forlorn, dusty *Ghaar-e-Hira* where the Qur’aan Majeed was first revealed.

Those who profess to be ‘ulama’, yet soil and sully themselves with the methodology of the kuffaar are morons of the worst kind. They follow the kuffaar right into the ‘*lizard’s hole*’. They are scum

(*ghutha*)

about whom Rasulullah (Sallallahu alayhi wasallam) said:

“The Saalihoon are departing (from the world) one after the other (in quick succession). Then there will remain only hufaalah (scum, chaff, rubbish) like the hufaalah of barley or dates. Allah will have no care for them whatsoever.”

Besides contaminating the sanctity of the Masjid with secular subjects by a hybrid molvi-secularist, falsely and deceptively accorded an Islamic veneer, the Jamiat KZN will be guilty of wasting the time of musallis, contaminating their hearts with the dunya and introducing them to merrymaking in the Masjid environment. These juhala Jamiat molvis should hang their heads in shame for inviting even women to attend the haraam ‘seminar’ despite the fact that they still hypocritically say that women are not allowed in the Masjid for Salaat. In blatant contradiction of the Qur’aan, these chaps are luring women from their homes towards the Masjid with their *nafsaani* ruses. When they are not allowed to emerge from their homes to the Masjid for even Salaat – an act which was allowed during the era of Rasulullah (sallallahu alayhi wasallam) – then by what kind of logic is it permissible to lure the women to participate in the stupid ‘seminar’, and in the merrymaking haraam ‘refreshment’ trap? There is something

radically and drastically amiss in the brains and hearts of these miscreant molvis who have betrayed the Deen – betrayed the Ummah – betrayed Allah Ta’ala – betrayed Rasulullah (Sallallahu alayhi wasallam).

The Ulama are supposed to be the guardians and the defenders of the Deen. But these miserable molvis have assumed upon themselves the shaitaani task of digging up the foundations of the Deen in the very name of the Deen. But we have to concede the reality stated by Rasulullah (Sallallahu alayhi wasallam) that the time will dawn when the *“worst of the people under the canopy of the sky will be the ulama from whom will gush fitnah”*.

In the name of the Deen, they have organized this seminar of *fitnah*

The programme of the ‘seminar’ is full of stupid sound signifying nil. They will only eat, make merry and pat themselves for their *jahaalat*. Islam has the *Tareeqah* of the Sunnah which we have acquired from the Akaabir Auliya and Ulama. Muslims are not in any need of these new-fangled ‘seminars’ in emulation of the kuffaar. The Ta’leem and Tarbiyat of Muslims must be in the manner in which Muslims have gained Knowledge and Taqwa since the time of the Salafus Saaliheen. These stupid methods are meant for only the kuffaar, not for us.

Since they think and behave like kuffaar, they eat and drink like kuffaar and animals, hence every so-called deeni function is compulsorily accompanied by ‘refreshments’ and merrymaking. But such ‘refreshments’ darken the hearts of Muslims. Such merrymaking is for the people of the dunya – for those who prefer the dunya and for whom the Deen is a hobby. To them, the Qur’aan says:

“The life of this world is but play and amusement while the abode of the Aakhirat is best for those who fear (Allah). What have you no intelligence?”
