### THE BRUTALITY, PILLAGE AND PLUNDER OF THE TABLIGHIS

*The Brother from Bangladesh adding more information, states:*

*"I want to add some more information with regards to the riot and massacre at the Tongi Tablighi Markaz.*

*The Sa'd group had attacked the little students (under 13~14 years) of the Hifz Khana of Tongi Markaz Madrasa while these little boys were engaged in Tilaawatul Quran. They were severely beaten. They had kicked the Quran Sharif copies which were in that Hifz Khana and afterwards threw those copies of the Mushaf into the adjacent river. They had forced the students to shout the slogan: "Moulana Sa'd is our Ameer". After assaulting them, the supporters of Sa'd shouted to the students: "Hold the ears and get out. If we are granted permission, we shall smash you all by feet".*

*A lot of Madrasa students had come to the Tongi Markaz previous day (weekend) to prepare the field to execute the up-coming Tongi World Ijtema to be held at the end of January 2019. The Sa'd group had attacked them and hijacked their precious assets such as money, new jackets, new blankets etc. They had severely beaten them to the extent that the bones of many had been broken. Severe head injuries had been inflicted. The Quran Sharif copies of the students and Tablighi brothers had also been thrown into the burner and destroyed by fire.*

*After the massacre, these evil people had conducted a press conference to justify their such*

*evil actions I wonder: How can these fellows be treated as Muslims? Isn't the act of not allowing them to the Mosque right?"*

Answer

The pillage, plunder and brutality of the Sa'd group, as described by you, are undoubtedly most abominable and close to kufr. Their act of desecrating the Qur'aan Majeed is undoubtedly kufr which expels them from the fold of Islam. However, since the murtagd culprits guilty of the blasphemous sacrilege cannot be pinpointed with certitude, a blanket ban on the supporters of the chief *goonda* cannot be placed.

The extent and type of pillage and plunder perpetrated by the hoodlums of the Tabligh Jamaat are shocking beyond imagination. Never in anyone's wildest hallucination could it have dreamt that Tablighis would degenerate to this murderous gutter level to shed Muslim blood, to injure Muslims, to rob openly, and to commit the act of kufr by desecrating the Qur'aan Majeed. All of these villainous acts proves that they never had the Deen as their objective of their tabligh stunts which now appear to have been a massive farce and fraud.
