### WE ARE NOT PART OF THE BOOTLICKING LEAGUE OF 'LIZARD HOLE' CREEPERS

Several Brothers have made queries regarding our silence on the New Zealand massacre of Muslims. In a nutshell, their query is:

*Numerous Muslim organizations have commented on and condemned the carnage which took place in two Musjids in New Zealand. However, The Majlis has adopted an unexpected silence. What is the view of the Shariah on the carnage which has taken place in New Zealand. It is an issue of great importance affecting the Ummah. The silence of The Majlis is mystifying. Please comment.*

### OUR RESPONSE

We are not a member of the Bootlicking liberal and modernist groups and *mudhil* ulama-e-soo'. It is not among our traits to jump onto stupid bandwagons and participate in stupid circus shows churning up dust and making vociferous howlings emanating from uncinated brains convoluted with the kufr of liberalism.

Insha-Allah, we shall publish the Shariah's view regarding the New Zealand massacre in our own time when all the stupidities disgorged by silly brains have settled. We shall do so, Insha-Allah, when everyone has forgotten the tragedy. Now currently, liberal and modernists Muslims and deviated molvis are all issuing bootlicking statements which have no validity in the Deen. All of them fail to take into account the decree of Allah Ta'ala.

*"And He is aware of what is in the ocean and on the land. And not a leaf drops (from a tree), but He is aware. There is not a seed in the darkness of the earth nor anything moist or dry, but it is recorded in a Clear Book." (Qur'aan)*
