ELECTIONS, ELECTIONEERING, VOTING AND ZINA

WHO IS TO BLAME FOR THE ZINA?

A ZAANIYAH IN VOTING ACTION!

A Concerned Brother writes:

Asalaamualaikum Respected Ulama.

Chairs fly as eff-blf land party clash at Houtbay election broadcast.

In this action, we find:

A Muslim women who is wearing the scarf. She's swinging with her handbag at the men who are all fighting and throwing chairs and other objects at each other.

Now I ask you is this behavior becoming of a Muslim woman? Was this the venue that a Muslim worth the name should have attended?

When the non-Muslim grabs her and touches her body...who has to answer for this? We are finding our Muslim women poking their noses in places where even the Muslim man wouldn't dare to venture.

Please share your naseehah with us about this woman and women who leave their homes to go to such events.

(End of the Brother's Complaint)

THE NASEEHAT OF THE SHARIAT

Every adult will bear the burden of his/her load of filth and sins. But, the Qur'aan Majeed explicitly states that those who are instrumental in the sins committed by others – those who introduce others to sin – those who pave the path for the commission of sins will also be made to carry the burden of the filth and sins of the actual perpetrators.

The vile agents of Iblees, the ulama-e-soo' – the molvis of the NNB jamiat of Fordsburg, the molvis of Darush Shaitaan of Durban, the egregiously villainous sheiks of the MJC, and all so-called 'ulama' who have become ambassadors for the political parties are complicit in the *zina* of the woman described in the Brother's letter. That woman is not a Muslim even if she bears a Muslim name or was born to Muslim parents.

These evil molvis and sheikhs are the worst scoundrels with whom the Muslim Ummah of today has been cursed. They are rotten to the core. The stench of their rot is unbearable. They have ruined every vestige of *haya* of Muslim women whom they lure into the public domain under 'deeni' pretexts. The Tabligh Jamaat too is complicit in destroying the *haya* of Muslim women. All of these villains and agents of Iblees are in diametric conflict with the Qur'aan Majeed which commands:

“Remain glued in your homes and do not make an exhibition of yourselves such as the exhibition of jaahiliyyah.”

The immoral exhibition of the so-called Muslim woman at the political meeting must be laid at the door of the villain ulama-e-soo'. Leave alone the evil women who have been transformed into *zaaniyaat* by molvis and sheikhs, even the Imaan of these villainous sheikhs and molvis is in doubt. Their actions testify to the *kufir* in their hearts.

ANY PERSON WHO IS A MUSLIM AT HEART, EVEN IF HE IS AN ILLITERATE, CAN READILY UNDERSTAND THE EVIL OF PARTICIPATION IN VOTING, ELECTIONS AND THE HARAAM POLITICAL ACTIVITY OF TH POLITICAL PARTIES.

There is no need for brains to understand the evil of participation in kuffaar politics. Only healthy Imaan is a requisite for correct comprehension of the tenets of Islam. Kuffaar politics are only haraam from beginning to end. Such participation also reveals the hidden *kufir* in the hearts of those who claim to be Muslims.
