ACADEMY OF HIGHER ISLAMIC LEARNING

05 November 2019/ 07 Rabi-ul – Awwal

Respected Parent, Muslim Brother, Muslim Sister

السلام عليكم و رحمة الله و بركاته

Due to the ever increasing number of enrolments in both the boys and girls madrassah and also the desire of our seniors and other concerned parties that the two institutions be separated, and also for security reasons, the management has decided to procure another property which will house our girls exclusively. Hence, the whole present premises at kindon rd. will be used solely for educating the boys and for salaah, etc.

We have already purchased a property (approximately +- 1300 m²) in Robertsham and have duly paid the initial deposit via generous donations by a handful of people. Allah Ta'ala reward them abundantly. The balance has to be paid over a period of time. This is phase one of our project.

Phase two will follow when we erect classrooms, an all-purpose hall, salaah facilities etc and other renovations. We intend making this an Islamic learning and cultural centre for women. The estimated total cost of the whole project is +- four million rand.

We call upon the public to financially assist the madrasah in this venture.

We appreciate - your reward is with Allah Ta'ala.

Jazakumullah
