## THE SHAITAANI FISQ AND FUJOOR FUNCTION OF THE NMJ SATANISTS

### Question

*Please comment on the 'Liverpool Soccer' function organized by the Natal Memon Jamaat (NMJ). It is a fun-filled function where even a Maulana will be giving a talk. Their advert describes the full programme of merrymaking where Salaat will also be performed. Women too have been invited. What does the Shariah say about a function of this kind?*

In almost every issue of The Majlis, etc. we highlight the villainy and *shaitaan*iyat of the evil molvis and sheikhs who masquerade as scholars and saints. They are all agents of Iblees.

It is only a thoroughly satanized person – a genuine agent of Shaitaan – who is capable of so brutally mutilating the Deen by participating in the haraam merrymaking shaitaani soccer function of the miscreant entity called NMJ (Natal Memon Jamaat). It will be more appropriate to call this entity, *Natal Murtad Jamaat*.

The molvi or molvis who will be gracing this evil function with their satanic presence, are perfect signs of Qiyaamah. They use and misuse Islam, the Qur'aan and Ahaadith to achieve their despicable nafsani objectives.

By blending the Qur'aan, Salaat and 'deeni' talk with the glaringly haraam *shaitaan* of kuffaar soccer, these followers of Iblees audaciously commit kufr. They are like a man who recites the *Tasmiyah* when eating pork or drinking wine. These people lose their Imaan. At heart they are not Muslim. They are clearly *munaafiq*. Only *munaafiqeen* have the satanic temerity to perpetrate explicit *fisq* and *fujoor* in the name of the Deen.

The worst ***shaitaan*** is the molvi who will be present at this function of satansim. He is a traitor. He betrays Allah Azza Wa Jal. He betrays Rasulullah (Sallallahu alayhi wasallam) and he betrays Islam. There is nothing much to betray regarding the community since the vast majority of the community itself is *zindeeq* and *munaafiq*. Only such miserable characters attend and participate in this type of shaitaani function.

Molvis of the breed who will be providing a stupid, haraam 'religious' flavour for the proposed shaitaani function of the NMJ are 'wolves in sheep's skin' or 'devils in human bodies' as mentioned by Rasulullah (Sallallahu alayhi wasallam). They are *mal-oon*. On them settle the Curse and Wrath of Allah Azza Wa Jal and His Malaaiakah.

The miserable women who will be participating in the Satanist function are of the lewd kind. They present themselves as decent, respectable Muslim women whilst they too are Satanists coming fully within the scope of Rasulullah's statements:

*“Women are Habaa'ilush Shaitaan (the Traps of the Devil).”*

*“When a woman applies perfume and passes by a gathering, she is like an adultress.”*

*“A woman comes forward in the form of shaitaan, and moves away in the form of shaitaan.”*

All the women who will be participating in the haraam immorality of the NMJ Satanism, are without exception, under the *La'nat* of Allah Azza Wa Jal and His Malaaiakah.

We are living in the era in proximity to Qiyaamah. This is *Aakhiruz Zamaan*. Therefore, the kind of *fitan* (plural of *fitnah*) produced by the likes of the NMJ, NNB jamiat, Darush Shaitaan, Jami'atush Shaitaan, MJC, SANHA and the myriad of other agents of Shaitaan are to be expected, albeit with the grief and lament demanded by Imaan.
