Subhaanallaah-The Qudrat Of Allah

No mind can ever imagine the stupendous Qudrat (Power) of Allah Azza Wa Jal. The mind boggling dimensions and objects of space which the atheist scientists have discovered and acknowledged are extremely infinitesimal in relation to what man does not know of Allah's creation.

Hadhrat Ali Bin Abi Taalib (radhiyallahu anhu) narrated that there is one being whose name is Rooh. Allah Ta'ala has created him with 70,000 mouths. In every mouth there are 70,000 tongues. Every tongue has 70,000 lughaat (dialects). The wonderful being recites the tasbeeh of Allah Azza Wa Jal with all his tongues and dialects.

With every Tasbeeh emanating from Rooh (alayhis salaam), Allah Ta'ala creates an Angel who will fly around among the Malaaiakah until the Day of Qiyaamah. Subhaanallaah!

According to Hadhrat Ibn Abbaas (radhiyallahu anhu), Rooh (alayhis salaam) has 10,000 wings.

According to Hadhrat Mujaahid (rahmatullah alayh), Rooh (alayhis salaam) is not an Angel. He has the form of a human being, but is not human. He also eats and drinks. He is an entirely different, unique creation of Allah Azza Wa Jal.

Besides this wonderful and gigantic being called Rooh (alayhis salaam), Rasulullah (sallallahu alayhi wasallam) explained that Rooh is a creation apart from the Malaaiakah. The term, Rooh in this context is used in the same way as the word 'man' which refers to entire mankind. They dwell among the Malaaiakah. They have features and limbs like human beings, and they descend to earth with the Malaaiakah who are despatched by Allah Ta'ala on a variety of errands and duties.

Hadhrat Abdullah Bin Buraidah (radhiyallahu anhu) narrated that the combined number – the total – of insaan (human beings) jinn and malaaiakah (angels) is less than the number of the species called Rooh. They do not constitute even one tenth of the species Rooh. Here rooh does not mean soul. It is a different species of creation. Just as the jinn are invisible to human beings, so too are the Rooh invisible to the Malaaiakah.

Further, there is another species of Allah's creation called Karoobi. In number, the Karoobi is ten times more than the species Rooh. Only Allah Azza Wa Jal knows what else abounds in His creation.
