

A NEW MAITAH ENTITY HARAAM

A relatively new Maitah (Carrion) entity has made its debut in the Guateng region. Burger King, a fast 'food' chain is certified by another Carrion-Halaalizer known as the *Shura Assistance and Relief Trust*

which is an MJC-SANHA type halaalizing outfit in the market for gaining quick haraam boodle the easy, cheap and haraam way by issuing scraps of paper which they call 'halaal certificates'.

According to the Shariah, these scraps of paper have absolutely no worth. Muslims should beware, and not fall prey to these haraam certificates. All of these fast junk food restaurants deal in Maitah – haraam carrion. Imaan should not be brought down to the despicable gutter level of consuming haraam meats and chickens on the strength of scraps of paper and 'halaal' stickers and emblems appearing on the wrappings and plastic packets of the carrion products.

Burger King's meat products are made from imported haraam meat. All imported meat is haraam. There is absolutely no way of guaranteeing that the imported meat is halaal. In fact, the foreign bodies who issue 'halaal' certificates are worst carrion offenders than even the MJC and SANHA.

Halaal certification is a huge international money-making racket which is advertised with Deeni hues when in reality Shaitaan is the progenitor of this carrion industry.

BURGER KING FOODS AND THE JUNK FOODS OF ALL 'HALAAL' CERTIFIED RESTAURANTS ARE HARAAM CARRION. MUSLIMS SHOULD NOT DESTROY THEIR MORALITY AND TARNISH THEIR IMAAN WITH HARAAM CARRION MEAT AND CHICKENS.

IT IS NOT PERMISSIBLE TO DEVOUR MEAT PRODUCTS ON THE STRENGTH OF A RUBBISH SCRAP OF PAPER TERMED 'HALAAL' CERTIFICATE.

☐☐☐ **In addition to enduring spiritual damage caused by the ingestion of haraam carrion, another consequence of☐ haraam meat and chickens is physical disease. Remember that whatever Allah Ta'ala has made haraam is injurious☐ for both our spiritual and physical health.**
