

FUSSAAQ AND ULAMA-E-SOO' – BIRDS OF A FEATHER – UNDERMINING THE DEEN

A concerned Brother writes in agitation:

“Last night I watched the 3rd session of national quraan competition on itv. I was shocked to see Qari Ayoob ishaaq (essack) as one of the judges. After the students completed their recitation mufti menk called Qari saheb to offer advices etc. The entire programme was shown live on tv. Thereafter they called mr enver (anwar) surtee to address the audience. Mr surtee is deputy minister of education. As a haafiz when I first read taraweeh in 1992 one of the advices my ustaadh gave was not to accept any money or gifts for performing taraweeh. At the end of the programme they called mr surtee and 3 other men among them the ambassador of saudi arabia to hand out gifts to every student as well as to each of the judges and to mr surtee. So much of honour they gave to mr surtee who is clean shaven. Above that they gave the student for coming out 1st in 5para category R2000. The student in 15 para category R4000. The winner of 30 para category got R8000 plus a free umra trip which was sponsored by an anonymous lady from saudi arabia. Things like these affect my heart. The mainstream ulema like qari ayoob coming on tv and shaking hands and accepting gifts from faasiqs inside the masjid. Mr Mohammed wadee (salafi) from saudi embassy was also praised for his efforts in coordinating the programme. Please comment.”

Brother, your error or sin was to have viewed the haraam television. If you had not polluted your eyes viewing the haraam show of fisq and fujoor, you would have saved your heart the agony of

witnessing the rape and pillaging of Allah's Deen and the Qur'aan Majeed by the conglomeration of fussiaaq and evil molvis and the like.

What you have witnessed, while lamentable, is not surprising. Rasulullah (sallallahu alayhi wasallam) had predicted the enactment of such fisq and fujoor by the vile 'ulama' whose occupation will be undermining the Deen and deviating the ignorant masses from Siraatul Mustaqeem. They are the *aimmah mudhilleen (the molvis who mislead)*. They are the tinders of Jahannam. They are the ones who will circumambulate their intestines in Jahannam according to the Hadith.

These fussiaaq and fujjaar who sell the Qur'aan for the miserable *jeefah (carrion)* of the world are those who pursue the dunya – who hanker after nafsaani and worldly objectives with the *a'maal* which are supposed to be for the Aakhirat. They beguile the community and they deceive themselves with the hallucination that they are serving the Deen when in reality they are undermining and destroying the Deen. Rasulullah (sallallahu alayhi wasallam) said: *"When a faasiq is praised/honoured, the Arsh shudders." "He who honours a man of bid'ah, aids in the demolition of Islam."*

Every act of the conglomerate of fussiaaq, fujaar and ulama-e-soo' which you have viewed on the haraam television is treacherous. It is a betrayal of Allah, betrayal of Rasulullah (sallallahu alayhi wasallam) and a betrayal of Islam.

The villainy and plunder of the Deen perpetrated by the fussiaaq and fujaar are Signs of Qiyaamah. The Deen is manipulated and used as a toy for the attainment of base and evil objectives. The vilest of the shayaateen in human form are these qaaris and molvis who are the most treacherous devils in human form. They are mentioned in the following Hadith. Rasulullah (sallallahu alayhi wasallam) said:

"Soon will there dawn an age when nothing will remain of Islam but its name. Nothing will remain of the Qur'aan but its text. The Musajid will be populated (and adorned) whilst bereft of"

Guidance. The worst of the people under the canopy of the sky will be the ulama. From them will emerge Fitnah, and the Fitnah will rebound on them.”
