3. Bringing back lost lovers
4. Finding jobs
5. Oil for financial problems

In Lenasia for example, we find these evil people opening shops in properties belonging to Muslim property owners (landlords). One has to ask how can they afford the rent of these shops they operate from and the answer becomes crystal clear. They have a MARKET for their evil.

These evil wicked people go under the names:

Chief Razaak, chief Moosa, ☐ Prof Abdul, priest Shireen, Dr. Gadafi, Dr. Musa and Mama Aisha, Imaam Ali, Prof Sali, Mohamed and Mama Aisha, Dr. Fakim, etc

☐ They hand out pamphlets at the robots to all motorists.

Questions & Answers

Q. What should we as a community do to eradicate this growing evil?

A. As a community, there is nothing we can do. The immoral constitution of the country allows all these evils to flourish. It is the obligation of the authorities to check the credentials of these marauders and debauchers. However, it is the duty of the Ulama to educate the masses by highlighting the fitnah of this fraud, perversion, filth and immorality, and by explaining to the masses that it is haraam to acquire the filthy, satanic and morally destructive 'remedies' of these fakes, devils, quacks and cranks.

Q. What is the Islamic ruling regarding Muslims visiting these wicked people?

A. Muslims visiting these agents of Iblees and acquiring their satanic services expose their Imaan to destruction. They hover on the brink of kufr and Jahannam.

Q. What is the ruling regarding Muslim landlords who rent their premises to these evil people? Is the rent halaal?

A. It is haraam to hire out premises to these evil, filthy, shaitani sangoma-type of quacks and cranks. The rental income is haraam.

Q. Why are the Ulama of our areas silent on this critical matter of kufr and shirk?

A. Because they belong the fraternity of ulama-e-soo'. Since they are, in the words of Rasulullah (sallallahu alayhi wasallam), "Dumb Devils", nothing better is expected from them.

Q. How do we safeguard ourselves from the evil of these people?

A. By staying far away from these devils, and reminding others of the satanism.

Q. Why has this evil spread in our communities so rapidly?

A. Because the brains of Muslims have become paralyzed as a consequence of gluttonous consumption of halaalized carrion chickens, carrion meat products, haraam processed food, rampant indulgence in fisq and fujoor of television and internet media,, and the satanic shenanigans of the ulama-e-soo' who preponderate in the community. So called 'ulama' bodies such as the No Name Brand Jamiat of Fordsburg parading itself as the "Jamiat South Africa", the Natal Jamiat who has become an unholy bedfellow of the NNB Jamiat, the MJC and others are all part of the evil. The sangomas are mere symptoms of the diseases gnawing away the Imaan of Muslims.

Brother, the moral condition of the Muslim community has already reached the bottom of the pit of degradation. This vile condition is now burrowing underground, below the bottom. with the ulama-e-soo' in the front, leading the ignorant masses to their ultimate destruction in Jahannam.

Nothing other than the Mercy of Allah Ta'ala can turn the community back from the path of destruction which Muslims have chosen for themselves.
