## **THIS KHAN CHARACTER IS NOT A MUSLIM – HE IS A SHIAH MASQUERADING AS A MUSLIM**

### **A CONCERNED BROTHER WRITES:**

I wanted to find out if you have heard a recording of the 'famous Mufassir' Nauman Ali Khan in which he has fabricated a story about a Sahabi and Rasulullah salallahu alayhi wa sallam. Nauman Ali Khan is a modernist who uses the Qur'an to 'unite' Sunni and Shia, along with the other filth he promotes. In the incident that he fabricated, he openly mocks at the Sahabah and the ruling of women performing Salaah at home.

Apparently, there are 'ulema who support him, defend him and teach from his lectures. MI Ragie, of the Fordsburg Jamiat, who has become a modernist a long time ago, has no time to study the works of the Akaabir of Deoband or Binnori Town, where he studied, but he only has time to listen to the lectures of Nauman Ali Khan, which he quotes all the time.

In fact, they are proudly awaiting his visit to South Africa and want to meet with him. Please enlighten us further on Nauman Ali Khan, can people listen to him? Can ulema quote from him? What is the ruling of a person who fabricates Ahadith and mocks at the Sahabah? What will be the ruling with regards to the person who defends this Nauman Ali Khan who openly mocks at the Sahabah, at his own leisure. There are claims made that he spoke good of the Sahabah. However, it only takes kufr and hypocrisy to lie about Rasulullah salallahu alayhi wa sallam and mock at the Sahabah.

May Allah keep you steadfast on the truth

Was salaam (***end of letter***)

### **OUR COMMENT**

**The Nauman Ali Khan character whose satanic pro-Shiah propagation you have described, is not a Muslim. Any person who professes and proclaims the KUFR which this slave of Iblees disseminates cannot be a Muslim**

**The molvi whom you have mentioned, is also a follower of Iblees. Why should he study the works of our Akaabir Ulama? He is a munaafiq just as this Khan character. It is haraam to listen to the talks and to read the shaitaanियat which this Shiah supporter or Shiah disgorges.**

**It is the Waajib obligation of Ulama who are aware of the kufr and dhalaal of this character, to inform the Muslim community to beware of this trap of shaitaan.**
