How can it ever be permissible to attend a function which is immoral and haraam in terms of the Shariah? In depth *dalaa-il* are not required to understand the villainy, immorality and evil of this haraam shaitaani jalsah supported and promoted by the blind-hearted ulame-e-soo' who have sold their Imaan for the miserable gains of the dunya and the nafs. Follow the advice of Rasulullah (Sallallahu alayhi wasallam): *"Seek a fatwa from your heart."* and you will not fail to discern the fatwa of haraam being issued. Those whose hearts are not blind with corruption and immorality, will clearly see the evil and villainy of this haraam jalsah organized in the name of the Deen.

But, these vile molvies come within the purview of the Qur'aanic Aayat:

***"The eyes (i.e. the physical eyes) are not blind, but, verily, the eyes within the breasts are BLIND."***

These reverend and pundit evil molvies will see their fate of blindness on the Day of Qiyaamah. About these spiritually blind and corrupt molvies the Qur'aan Majeed says:

*"He who turns away from My Thikr (advice and commands), verily, for him is a constricted life, and We shall resurrect him on the Day of Qiyaamah blind (because he had blinded his hear on earth). He will say then: "O My Rabb! Why have you resurrected me blind whilst I had vision (on earth)?" (The Divine Response will be): "Thus, Our Aayaat had come to you, then you forgot about them. Thus, today you (to) shall be forgotten"*

This will be the plight on the Day of Qiyaamah of those molvies whose hearts have become blind in consequence of their evil and villainy which constrain them to pillage and plunder the Deen in the name of the Deen. They are using and manipulating the physically blind pupils to enact flagrant haraam – fisq and fujoor. Every step in this evil jalsah is haraam. The primary motive is riya, takabbur and other despicable worldly objectives.

Haraam pictography has long ago been halaalized by these scoundrel molvies who are destroying the jaahil masses. Whilst this is a heart-breaking lamentable, it has to be expected because Rasulullah (Sallallahu alayhi wasallam) had predicted that the time will dawn when **“the worst (the most rotten) of the people under the canopy of the sky will be their ulama.”** This rotten scum cannot be wished away.

We can only make dua, seeking Allah’s protection against these scoundrels who are pillaging and plundering the Akhlaaq and Imaan of the masses.
