

THE COPRO-STUPID MJC “life achievement award”

AND THE DEVIATION AND COMPLICITY OF THE NNB JAMIAT AND JAMIAT KZN

The function to award a silly, copro-stupid ‘life achievement award’ certificate to a secular judge in a kufr and shirk setting – a Christian church, non-Muslim personalities and Zanaadaqah ‘sheikhs’ masquerading as Muslims – is indeed a satanically subtle plot to destroy the Deen by a gradual process of disintegration.

Some decades ago, the kind of brazen *kufr* committed by the MJC *Zanaadaqah* of today, would have been unimaginable to even liberals such as Shaikh Najjaar and Shaikh Muhammad Nazeem of the then MJC. Although the MJC was always a wayward body of liberal sheikhs, they had not degenerated to the extremely low ebb of kufr and shirk as are today’s *shayaateen fi juthmaani ins* (*Devils in human bodies*).

There no longer remains any semblance of Islam in the MJC Zanaadaqah.

(Zanaadaqah is the plural of zindeeq. A zindeeq belongs to one of the seven classes of kuffaar.)

Besides the haraam riya (show), takabbur (pride) and israaf (waste), the fundamental factor which renders this copro-award function *kufr* is the blatant rejection of the prohibition of honouring even a Muslim *faasiq*. The secular judge is not even a Muslim since he has devoted his entire life to issue verdicts in terms of kufr law. About such persons who decree in accordance with kufr law, the Qur’aan Majeed says:

“They who do not decree according to that (Shariah) revealed by Allah, verily they are the kaafiroon.”

Thus, there is no doubt in the *kufr* of secular judges. It is haraam for a Muslim to serve as a secular judge even in a Muslim country.

Life Achievement Award

Regarding the copro-award, besides it being a stupid, laughable handout of absolutely no merit and significance, and besides it being in pure emulation of kuffaar practices, is a vile act which sets the *Arsh* of Allah Azza Wa Jal shuddering. Rasulullah (Sallallahu alayhi wasallam) said:

“When a faasiq is praised, the Arsh of Allah shudders.”

“He who honours a man of bid’ah, aids in the demolition of Islam.”

The copro-award function is one of shaitaan’s plots to demolish Islam. While the MJC Zanaadaqah are brazenly involved in this shaitaani plot, the NNB jamiat molvis and the KZN Jamiat molvis are complicit in this conspiracy regardless of them having no such intention. The fact remains that these two wayward jamiats which have strayed far, very far from *Siraatul Mustaqeem* are unholy ‘zina’ bedfellows of the MJC Zanaadaqah.

These miserable jamiats who are among the worse scoundrels *“under the canopy of the sky”* fully condone and even promote the MJC with their smiles and silence. Regardless of the blatant kufr and haraam perpetrated by the MJC Zanaadaqah, the NNB jamiat and the KZN Jamiat – all their molvis without exception – even the molvis of the darul jahals – have opted to become *dumb devils* with their silence. With their shaitaani silence they condone the kufr of the MJC, and with their membership of BOGUS ‘uuccsa’, they strengthen the MJC kuffaar.

In their conspiratorial capacity, these treacherous molvis of these miscreant jamiats, constitute a grave danger to the Muslim community. The molvis of these jamiats and of the darul jahals have

betrayed Allah Ta'ala, Rasulallah (Sallallahu alayhi wasallam), the Ummah and Islam. They are among the worse scum posing as 'ulama'. About this breed of vile molvis and sheikhs, Rasulallah (Sallallahu alayhi wasallam) said:

"The Saalihoon are departing (quickly from this world) one after the other. Then there will remain only hufaalah (rubbish/scum) such as the chaf of dates/barley. Allah will have no care whatsoever for them."

"He who remains silent regarding the Haqq, is a dumb shaitaan."

Allah Azza Wa Jal states in the Qur'aan Majeed:

"Convey to the munaafiqeen that verily for them there is a painful Athaab. They are those who take as friends the kaafireen besides the Mu'mineen. What! Do you search by them (by the kuffaar) for honour. Verily, all Izzat belongs to only Allah."

(An-Nisaa'i, Aayat 139)

"Whoever desires Izzat (he should know that) all Izzat belongs to only Allah. Unto Allah rises the virtuous word and He elevates the righteous deed. (However) those who plot villainy (such as the MJC), for them there is a severe punishment, and their plot is doomed to fail." ﷻﷻﷻﷻﷻﷻ (Faatir, Aayat 10)

“Izzat belongs to Allah, His Rasool and the Mu’mineen, but the munaafiqeen (such as the MJC) do not understand.” ﷻ (Al-Munaafiqoon, Aayat 8)

There are also numerous Ahaadith which severely condemn the ulama-e-soo (evil molvis and sheikhs). Whilst the NNB jamiat and KZN Jamiat molvis come within the scope of Islam’s *Ulama -e-Soo’* scope, the MJC sheikhs are worse. They are *Zanaadaqah* beyond the pale of Islam.

Shaitaan is an extremely cunning *ustaadh*. He entangles molvis (as well as others) into his snare gradually by imperceptible degrees until finally they become his bedfellows and agents without them even realizing the calamity which has befallen them. This is the current fate of the MJC. While these miserable copro-sheikhs believe they are Muslims, they are in fact kuffaar of the Zindeeq class.

If the molvis of the jamiats will continue along the shaitaani trajectory chalked out for them by the MJC, they too will end up in the same cauldron of kufr najaasat in which the MJC is today floundering rudderlessly on a course set to culminate in Jahannam.

A dangerous trend – a trap of shaitaan – among the so-called Deobandi ulama of this present age is the shaitaani plot of jalsahs. The ultimate fate of these jalsahs will be the same as the copro-award function of the MJC. In essence, the *‘Hifzul Qur’an Khatam Jalsah’* planned to take place in Masjid Al-Hilal in Durban today (Saturday 15th

February, 2020) is in essence the same as the MJC’s copro-award function.

This so-called hifz-khatam jalsah is another eat and excrete merrymaking function. The first step in Shaitaan's plot is to tenderize the brains of the molvis with deception – self-deception. These molvis are labouring and blundering in the self-deception of their merrymaking function loaded with riya, takabbur and israaf being a 'deeni' event when in reality it is a Jahannami function. It is among the signs of Qiyaamah. In regard to such merrymaking, satanic functions advertised in the name of the Deen, the Hadith informs us:

“The dunya will be pursued with the amal of the Aakhirah.”

While the Qur'aan is the chimera to delude and mislead the ignorant masses whose only concern is gratification of the nafs, the actual motive underlying the glut of jalsahs of a variety of kinds is *nafsaaniyat*, *shaitaaniyat* and *khinzeeriyat*.

These shameless so-called Deobandi molvis of the jamiats and darul jahals while still flaccidly beep that it is not permissible for women to come to the Musjids for Salaat, shamelessly invite women to attend their copro-programmes. They are spineless traitors to Islam. Shaitaan has pulverized their brains with his urine, hence the fossilization of their *Aql*.

Our obligation according to the Qur'aan is to *only deliver the clear message of the Haqq*. As lamentable as the evil conduct of these molvis and sheikhs is, it is not at all surprising. They are all setting the stage for Dajjal – not only the MJC shayaayeen, but also the molvis of the jamiats and darul jahals. These institutions are no longer Daarul Uloom. They come within the purview of Rasulullah's prediction:

“Ilm will be imparted for purposes other than the Deen.”
