### THE STUPID CONCLUSION OF THE DUMB WOMAN

Question: Please comment on the article titled, "The Conclusion", written by the lady who is propagating that women should compulsorily attend the Musjid, especially for Eid Salaat. She quotes many scholars in support.

#### ANSWER

The 'conclusion' of the Dumb Lady on the payrole of the Saudis, and who is being handled by a Saudi-paid faasiq moron to promote the women's lib. movement to further the plot of Saudi hegemony in subservience to the immorality of 'emancipation of women' imposed on the Saudi regime by the U.S.A., is devoid of Shar'i substance. The stupid aunt simply quotes and quotes without understanding the context and environment of the applicability of the laws of the Shariah.

Her natural intellectual deficiency (nuqs fil aql) is appallingly aggravated by her adoption of western lewd liberalism. She is therefore incapable of looking at Islamic teachings in the mirror of the Qur'aan and Sunnah. It is senseless to intellectually rebut the silly and stupid ranting of a dumb woman who perhaps is unable to perform Salaat correctly and recite the Qur'aan correctly.

A book was written in refutation of the Dumb creature's stupidity, but the miserable aunt has failed to answer even a SINGLE argument which was presented in refutation of the stupid and baseless views and arguments which she and her Saudi serf handler had gorged out.

Since she has said nothing new in her stupid conclusion, and since the moron lady has merely regurgitated her stale stupidity, it will be superfluous and an utter waste of time to respond to the very same silly and fallacious arguments she presents. Three books have been written to substantiate the prohibition of women attending the Musjid. All her silliness has been adequately debunked in these books.

Opponents, especially munaafiqeen of the calibre of the dumb aunt and her handler, are required to systematically neutralize the arguments of their adversaries by taking up one by one and showing the imagined 'incongruency' and 'error' of such views and arguments.

In any debate or discussion, it is imperative to do two things:

(1) Presentation of rational and Shar'i arguments to substantiate the view which is being promoted.

(2) Neutralizing the arguments of the adversary.

However, the stupid, dumb and ignorant moroness together with her paid Saudi handler miserably fail to answer even a single argument of those who had neutralized their stupidities with solid Shar'i arguments. For example, in her previous article in which the Dumb khaalaa had criticized the Mufti who had stated the Shar'i prohibition on women attending the Musajid, she had made a colossal fool of herself with her inability to understand and translate correctly from the kitaab I'laaus Sunan. She committed wholesale blunders in understanding what she was attributing to the honourable author of the Kitaab and to Imaam Abu Hanifah (rahmatullah alayh). She quoted with reckless stupidity like a drunken person who knows not what he/she is saying.

Despite her stupid and laughable blunders having been pointed out and highlighted, she has conveniently taken refuge in a fortress of impregnable silence in this regard in the hope that people will forget her stupidities, gaffes and appalling blunders.

Another aspect of her chicanery is the dumb woman's silence regarding the attitude and practical action of Hadhrat Abdullah Ibn Umar (radhiyallahu anhu) who on the one side was angered when his son spoke disrespectfully about the Hadith which had permitted women to attend the Masjid during the time of Rasulullah (sallallahu alayhi wasallam), and on the other side the vehemence of his act of preventing women from the Masjid by pelting them with stones. Since the dumb woman has no answer for this conflict which confirms the ban on women's Masjid attendance, the dumb apa has no option but to recede into humiliating silence from which even her Saudi employee who is her handler, is unable to extricate her.

Since her stupid conclusion is bereft of Shar'i arguments, there is not much to say.

Suffice will be to reject the flotsam of her corrupt brains as the ranting of her nafs.

The recent obsession with women's lib. with emphasis on the Masjid to be opened up for them, is the effect of Saudi behest. Links in this sinister plot to undermine the Shariah are this dumb woman, her handler who works in the Saudi embassy, Qardawi, the Ghabi, the Al-Kauthar group and other similar morons and slaves of the nafs.

**THE SHARIAH'S PROHIBITION ON WOMEN'S ATTENDANCE OF THE MUSAJID AND PARTICIPATION IN PUBLIC ACTIVITIES OF EVEN A DEENI NATURE, HAS BEEN IN FORCE SINCE THE AGE OF THE SAHAABAH, AND NO ONE HAS THE AUTHORITY TO ABROGATE THIS DIVINE PROHIBITION.**

Men and women who seek expression for their carnality should find other venues and abodes to satisfy their evil desires and for giving effect to the plots of the Saudis and the orientalist enemies of Islam. There are numerous evil abodes for gratifying themselves. The Musajid are our bastions of safety and piety. Muslims should guard these fortresses of the Deen against the intrusions of immorality and spiritual pollution with which the modernists and their evil handlers are labouring to contaminate.
