THE MUSAAJID OF ALLAH

WHAT ALLAH AND HIS RASOOL SAY ABOUT THE HOUSES OF ALLAH

“The Musajjid are the Houses of Allah”

“The Musajjid are the Houses of the Muttaqeen”

“He who loves the Musajjid, Allah loves him” “The Musajjid are the cities of Allah”

“The noblest places on earth are the Musaajid and the vilest places are the malls.”

(Ahaadith)

The most detestable places on earth for the Munaafiqeen are the Musaajid. For the Munaafiqeen, the Musaajid are spreaders of disease.

.....

Imaam Raazi (Rahmatullah alayh) says in his *At-Tafseerul Kabeer* in the commentary of the

Aayat:

“Who is a greater oppressor than the one who prevents the Thikr of Allah in the Musaaqid, and he strives (plots) in its destruction?” (Baqarah, Aayat 114), “Verily, the text of this Aayat demands that the one who strives to ruin the Musaaqid is worse than a mushrik because Allah’s statement: ‘Who is a greater oppressor’, includes the mushrik.”

This is Islam’s verdict – the verdict of the Qur’aan and Hadith for the cartel of Munaafiqeen who have today exposed their rotten, stinking, poisonous fangs of nifaaq by pleading to the non-Muslim female judge in the court to retain the ban on the closure of the Musaaqid and the prohibition of the Fardh and Jumuah Salaat in the Musaaqid. These Munaafiqeen will, Insha-Allah, be named and listed soon.

Hadhrat Anas Bin Maalik (Radhiyallahu anhu) narrated that Rasulullah (Sallallahu alayhi wasallam) said:

DESTRUCTION OF THE MUSAAJID BY THE MUNAAFIQEEEN

“Verily, on the Day of Qiyaamah, Allah will proclaim: ‘Where are My compatriots? Where are My compatriots?’ The Malaakah will say: ‘O our Rabb! Who qualifies to be Your compatriots?’ Allah will respond: “Where are the inhabitants of the Musaaqid?”

All those who love the Musaaqid – who populated the Musaaqid – who laboured against the enemies and the Munaafiqeen to uphold the sanctity and honour of the Musaaqid – who struggled to keep the Musaaqid open – the Musaaqid which were closed by repression and oppression and with the satanic connivance of the Munaafiqeen in our midst – all such *Muhibbe en (Lovers)* of the Musaaqid will be the Compatriots of Allah Azza Wa Jal on the Day of Qiyaamah. Muslim Sisters hear the glad tiding! You to who support the Musaaqid of Allah Ta’ala, will be among the Compatriots of Allah Azza Wa Jal irrespective of the Shariah not allowing you today to attend the Musaaqid.

Qiyaamah will be another Order. At one stage in Qiyaamah, a Call will be made: “All the *Rijaal* (Men) step aside!” The first one will be Hadhrat Maryam (Alayhas salaam). “Men” in the parlance of the Aakhirah refers to Auliya. So Muslim women who are not allowed to attend the Musjid will all be among the Compatriots of Allah, Insha-Allah.

Imaam Raazi (Rahmatullah alayh), in the tafseer of the Aayat:

“Only those who have Imaan and the Last Day, and they establish Salaat, pay Zakaat and fear none besides Allah, (only they) populate (and administrate) the Musaaqid of Allah. Indeed they are the guided ones.”

(At-Taubah, Aayat 18),

says: "Allah has made the populating of the Musaaqid the *Daleel* (Proof) of Imaan." This establishes with utmost clarity that those who are striving for the destruction of the Masjid by bootlicking the government and pleading in the court to keep the Musaaqid close and to prohibit Salaat, are pure, unadulterated

Munaafiqs.

They are worse than the mushrikeen, and worse than even the munaafiqeen who existed during the era of Rasulullah (Sallallahu alayhi wasallam).
