THE MJC'S AWARD OF JAHANNAM

Question:

The MJC will be doling out what they call 'MJC life achievement award' to a Muslim judge of the court. Some sheikhs as well as non-Muslim personalities will be speakers at the award. The ceremony will take place in the St. George's Cathedral hall. This is the first time in our life that something of this nature is being experienced. What is the Shariah's ruling regarding this ceremony and the Muslim participants?

ANSWER

There is no conundrum in Ruling of the Shariah. The *kufir* of this whole haraam function is glaringly manifest to even ignorant Muslims. It is not at all surprising for a *baatil* entity such as the *zindeeq* MJC to be organizing a function of *kufir*. The sheikhs of this *zindeeq* entity have long ago bartered away their Imaan for *kufir*. These fellows are not Muslims.

Masquerading as Muslims, they only succeed in misguiding such ignoramus whose Imaan is questionable. Every act and every step of the function are *haraam*, *kufir* and *mal-oon*. These *sh ayaateenul ins* are constantly under the *ghadhab*

We are on the frontiers of Qiyaamah. The prediction of Rasulullah (Sallallahu alayhi wasallam) regarding the worst scum under the canopy of the sky, namely the so-called 'ulama', have to materialize. These agents of Iblees are all signs of the Impending Hour. There are no worse specimens of Allah's creation than these deviate *zanadaqah* who masquerade as Muslims. They are preparing the stage for Dajjaal. They are in league with the conspirators of the West to subvert Islam – to destroy Islam, and their snare is integration with the ideologies and religions of the kuffaar in the name of Islam.

Their brazen act of kufr such as this stupid award ceremony will only further alienate them from the Muslim community. Even laymen are not so stupid as to accept the glaring *kufr* mess in which these shaitaani 'sheikhs' are involved.

About the flotsam and effluvium of this type, Rasulullah (Sallallahu alayhi wasallam) said:

"An age will dawn when nothing of Islam will remain except its name. Nothing of the Qur'aan will remain except its text. The Musaaqid will be ornate structures, but devoid of hidaayat. The ulama will be the worst of the people under the canopy of the sky. Fitnah will emerge from them, and the fitnah will rebound on them."

They are the kinds of evil 'ulama' who will, according to the Hadith, have to circumambulate their intestines in Jahannam. May Allah Ta'ala save Muslims from the *dajjaaliyat* of these agents of Iblees.
