While millions of Muslims are languishing in extreme poverty and in dire straits of living right on the door steps of Gaza, and while Gaza itself is constantly under Israeli threat, the shaitaani rulers of Gaza allow a shaitaani haraam team to travel, waste money, indulge in haraam sport, etc.

The evil life style of the Gaza people provides the valid explanation for Allah's Punishment on them. Instead of turning more towards Allah Ta'ala in their miserable plight, they are drifting further from Allah Ta'ala into the camp of shaitaan. The lifestyle and attitude of the Gaza people justify Allah's Athaab which has settled on them.

The people of Gaza are immoral. They have not acquired any lessons from the Israeli-inflicted miseries. They exploit each other; usurp the properties of each other. The Shariah's Law of Inheritance is most wickedly pillaged and plundered by Palestinians. The one who is in control of the properties of the deceased usurps it. Heirs are denied their right of inheritance. This disease is universal in Palestine. Palestinians themselves have reported such satanic usurpation of their properties. The rulers of Gaza facilitate and entrench this usurpation of the properties of others. That is why Allah Ta'ala has handed the land to the Yahood. They have absolutely no regard for the Shariah. Immoral dancing and celebrating have become their customs. They do not deserve to be the caretakers of Jerusalem or the entire Holy Land of Palestine. This is Allah's decree, hence He has awarded Palestine to the Yahood.

In the following Aayat is a somber warning for the people of Gaza as well as for all other Muslim communities who are grounded in immorality and degradation of every kind imaginable:

*“We shall most surely give them to taste of the lesser punishment, not the greater punishment, for perhaps they will (understand) and return (to the Path of the Deen).”*

*“Who is viler than the person who is reminded of the Laws of Allah, then he turns away? Verily We shall extract vengeance from the criminals.” (Qur’aan)*

They are not heeding the signs and the warnings. Therefore, the Greater Punishment is awaiting them.

With their haraam soccer teams and preponderance of vice, the people of Gaza are criminals.

***MUSLIMS SHOULD NOT CONTRIBUTE ANY THING FOR HOSTING THE HARAAM TEAM.***
